FAQ

How do I register?	Go to einsteinworkshop.campbrainregistration.com , make an account, click on "begin" under "Summer 2024" to begin registration for summer camp.
Do students stay for lunch?	If students are signed up for both AM and PM, they stay for the lunch hour at no additional charge. Please pack a lunch.
Do you provide snacks?	A limited selection of small snacks are available for purchase at the front desk.
Do students have time to eat during class?	Every class has a 30 minute break. During break, we go outside to eat snack then play, weather permitting.
What time do AM and PM camps meet?	AM camps start at 9 AM and end at 12 Noon. PM camps start at 1 PM and end at 4 PM.
What is the minimum age to attend Camp?	Children must be at least 5 years old and starting Kindergarten in the Fall to attend camp.
What do kids do during the lunch hour?	After kids are done eating, they play outside with fun and appropriate outdoor toys. They are also welcome to go indoors to enjoy any of our fun educational toys, games, and books.
Can students use a microwave or fridge?	Unfortunately, we aren't able to heat or store food in a refrigerator. Please pack lunch in an insulated container to maintain the correct temperature.
Can I sign my child up for just a few days instead of a whole week?	Our camps build day over day, and sometimes our students work in groups, so missing days can be disruptive to students' learning. We can usually accommodate a camper missing a single day. We do not provide discounts for missed days.
